

The winelist for Laura has been curated to compliment Phil Wood's culinary interpretation of the Mornington Peninsula. This collection celebrates the diversity of wine and its unique ability to take us on an endlessly rich and fulfilling journey. I encourage you to engage with our knowledgeable team when deciding what to drink at Laura.

Coravin is a wine preservation system that allows us to extract a glass of wine from a bottle without taking the cork out. The technology permits us to pour some premium wines by the glass and avoid unnecessary wastage. Where we would usually pour 150ml for a standard glass of dry wine, we pour 120ml with the Coravin. This allows us to reduce the price accordingly, making them even more accessible.

KELLER

Dual vigneron, Klaus-Peter and his wife Julia turn conventional wisdom upside down by slowing down photosynthesis to achieve a long and slow ripening period. The entire Keller estate crops lower than many Grand Cru vineyards in Burgundy and produces some of the most exciting dry Rieslings in Germany.

PT. LEO ESTATE

Our 49-acre single vineyard is planted to Pinot Gris, Chardonnay, Pinot Noir and Shiraz. Chardonnay grapes are gently pressed as whole bunches, barrel fermented, undergo a full malolactic fermentation and see regular battonage (stirring of the lees) The resulting wines are rich and opulent in texture, with refreshing acidity and a signature saltiness.

MOREAU-NAUDET

Stéphane Moreau, influenced by the great artisanal winemakers before him, turned his family domaine around by making authentic, ripe and textural Chablis. Moreau-Naudet work with low-yielding mature vines, in the very best terroirs. They ferment naturally and age their wines in large format (old) oak barrels.

LUCIANO SANDRONE

Sandrone started his career as a modest cellar-man, saving his money until he could afford to buy some vines in Barolo. He begun making his wines in his parent's garage, and by 1990 he had caught the world's attention. These wines are both traditional and modern, and offer incredible value for money.
