

LAURA

The Laura wine list has been curated to compliment Phil Wood's culinary interpretation of the best Australian produce. This collection celebrates the diversity of wine and its unique ability to take us on an endlessly rich and fulfilling journey. I encourage you to engage with our knowledgeable team when deciding what to drink at Laura.

We will appreciatively pair a drink to each course you're served today. The beverage pairings are a hand-picked selection from our cellar that enhance and support the flavours of the eight-course menu.

The *Delightful* beverage pairing features a wine from the picturesque Pt. Leo Estate vineyard, set amongst other domestic and international treasures.

The *Exquisite* beverage pairing features rare and aged wines of unsurpassable pedigree from benchmark producers.

The *Drivers* beverage pairing equates to two glasses of wine in total, broken up by a curated selection of non-alcoholic drinks.

**Indicating a 120ml glass poured with the Coravin. This allows us to reduce the price accordingly, making the wines even more accessible. Coravin is a wine preservation system that allows us to extract a glass of wine from a bottle without taking the cork out. The technology permits us to pour some premium wines by the glass and avoid unnecessary wastage.*

JOH JOS PRÜM - RIESLING

Joh Jos Prüm are in the middle part of the Mosel Valley in Germany. The family-owned estate is synonymous with late-harvest Riesling. Sugar seems to enhance their site-specific character, as they magically transcend each part of a dining experience.

PT. LEO ESTATE - SHIRAZ

Shiraz vines are planted on the most protected and north-facing aspect of the vineyard. Bunches are destemmed before being fermented and go on to age in 25% new French oak for 9 months. The cool site yields intensely aromatic and medium-bodied Shiraz with a crunchy and fresh tannin structure.

TESSERON EXTREME - COGNAC

This unique bottling is a blend of Cognacs coming from ten demijohns dated from 1853-1906, with portions that date to before phylloxera. This Cognac is slated as one of the 'oldest' Cognacs on the market today. Only 300 were ever produced.
