LAURA

In the pages that follow, you will find bottles from many of the great wine producing regions of the world. On each page incredibly famous producers sit comfortably beside local heroes, cult wines, and lesser-known treasures. Each of these wines is a reflection of place, grape variety, winemaker, style, and vintage, and has been chosen for those unique characteristics that distinguish it from the other bottles on the list.

We feel fortunate to live here on the Mornington Peninsula surrounded by beautiful vineyards and skilled winemakers. We are also lucky that many wine people come and visit us at Pt. Leo Estate to show us their wares, tell us their wine making philosophies, and express how these personal values shape their wines. The work they do is incredibly complex, and we strive to understand their vision and convey it to our guests as clearly and honestly as we can.

Above all we hope that our guests visit Laura and experience the connection and pleasure that comes from good food, great drink, and the art of conversation.

The below pairings are a hand-picked selection from our cellar, and contain beverages in a range of styles from around the world.

**Indicating a 120ml glass poured with the Coravin. This allows us to reduce the price accordingly, making the wines more accessible. Coravin is a wine preservation system that allows us to extract a glass of wine from a bottle without taking the cork out. The technology permits us to pour some premium wines by the glass and avoid unnecessary wastage.*
